# Lala Stool.

---

by Schiavello

The sculptural form of the Lala stool engages from every angle. Encouraging different views, Lala stool's counteracting conical shapes collide diagonally, creating a fusion of crisp lines with curved forms.

**Lala.**  
**by Schiavello**

**Finishes:**

- Rotomoulded polyethelene available in a range of colours.

**Features:**

- Stackable

**Dimensions:**

Height: 420 mm

Width: 395 mm

**Lead-time:**

8-10 weeks / ex. Kada stock
